Footer

New title with keyword targeting "photography gear."

h1 and intro text with keywords incorporated.

Visual categories front and center to improve traffic flow.

Mentions about free shipping, refund/return policy, authorized retailer, and tax free shopping. These will link to their pages.

Latest 4 new products with a large banner featuring a new product or brand below it. This can be changed regularly depending on promotion schedule.

Sale area to call attention to clearance and open box as well as rebates and special offers. Banners can be featured below it highlighting a sale product or current rebate.

Currently this is called Hot this Season. I'd like to rename it Best Sellers and feature products that perform well or are most profitable.

This can be a versatile area and will change over time as pages are built out. I've included flash extender charts, tripod chart, tripod cleaning guide, a spotlight for gear protection, and free shipping again. This arrangement can change depending on the design itself, and could also be transferred to other pages as reusable elements.

Call out for online community to encourage engagement of other areas.
